WHO ARE WE?

Aleuro Inc. is a leader in direct marketing and sales consulting in the San Antonio, Texas area. We work for some of the most respected companies in the cable and satellite, retail, and telecommunications industries.

We are dedicated to helping Fortune 500 companies and large corporations execute direct marketing campaigns by providing them with a professionally trained, face-to-face sales team.

WHY FACE-TO-FACE MARKETING & SALES?

Through our face-to-face direct sales and marketing approach, we contribute a personal aspect that mass marketing cannot. We then form relationships that create long-term customers, rather than impulse buyers.

Our goal is to provide our clients with the best and most professional face-to-face representations and give them the highest possible return on their investment. Our results allow our clients to know that the representation and training we provide will grow their potential consumer base exponentially.
